Dear Mr. Garrison

I hasten
to reply to your kind
note, to inclose for
you a photograph of the
copy, & I believe the
only one extant, of
Foley's Bas Relief,

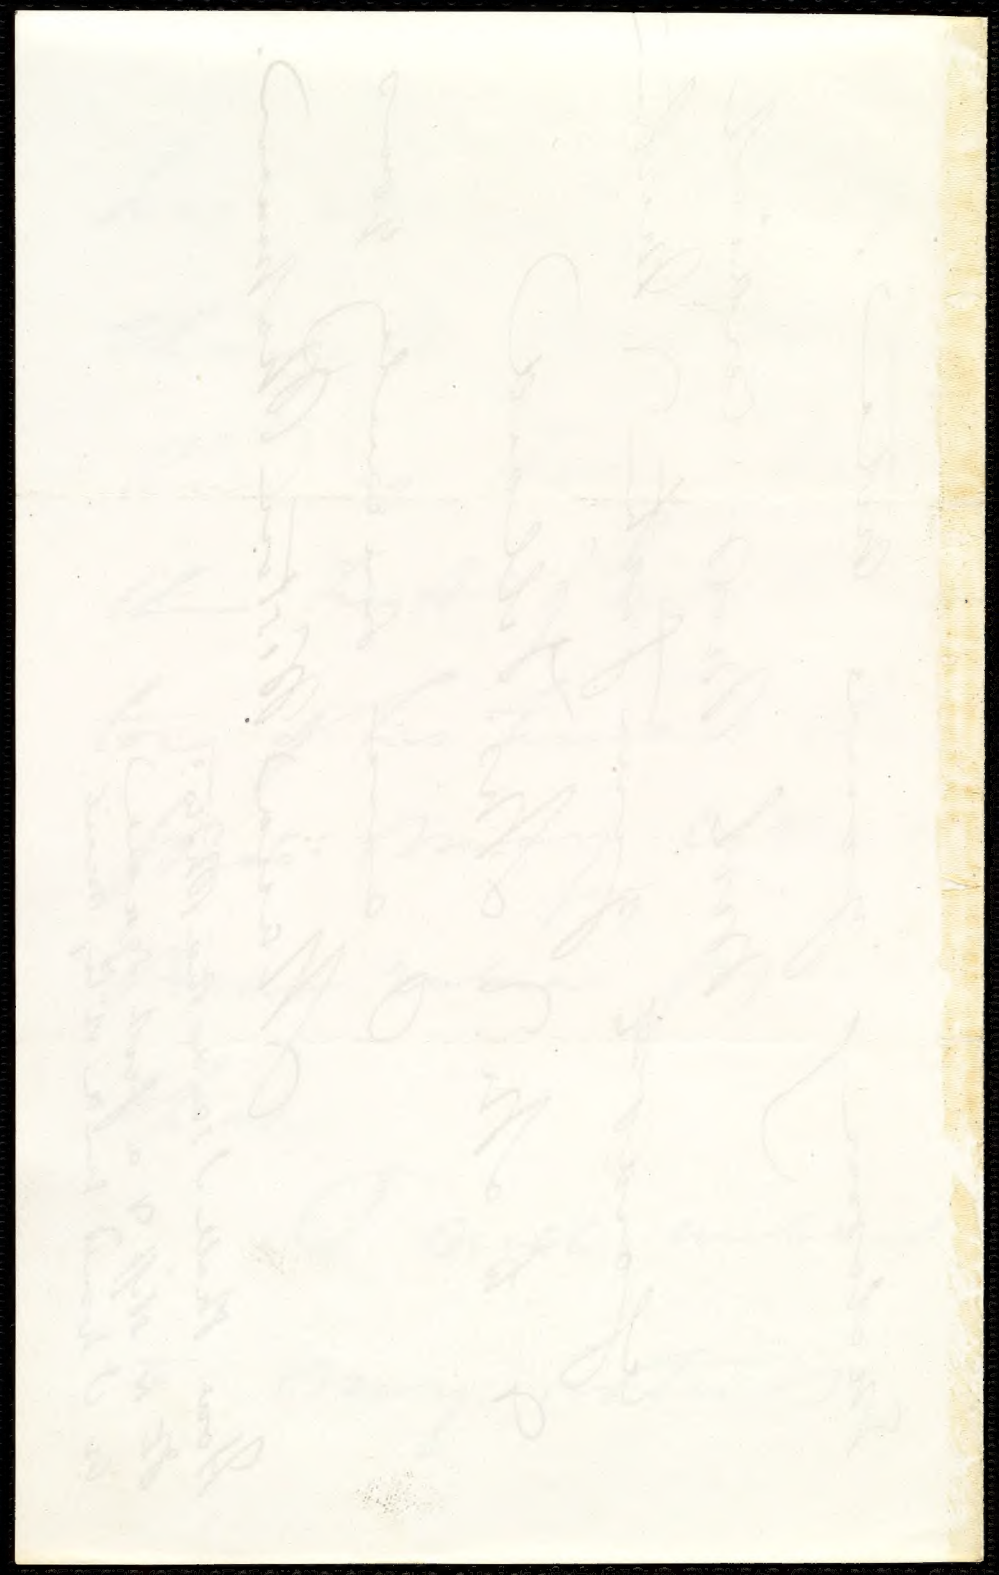
Which

has always been
thing so satisfactory,
And as Foley was
the First British Sculp-
tor of his time the
photo: may take
some value from
that.

I will write
to my sisters

Enclosing yours Note.

With most cordial
regards to your father & mother
& to Mr. & Mrs. Villard

I am sincerely yours
Maria Weston Chapman.


How shall I send the Photo?
It is stiff & a foot square
or I would send it by mail.
